CASE MANAGEMENT ORDER

AND NOW, this 20th day of November, 2023, IT IS HEREBY ORDERED that this action is placed under Local Rule 16.1 for pretrial proceedings and all provisions of the Rule will be strictly enforced. Compliance with provisions of Rule 16.1 shall be completed as follows:

1. The parties shall make the disclosures required by Fed.R.Civ.P. 26(a) by 1/8/24.
2. The parties shall move to amend the pleadings or add new parties by 1/30/24.
3. The parties shall complete fact discovery by 4/30/24. All interrogatories, depositions and requests for admissions and/or production of documents shall be served within sufficient time to allow responses to be completed **prior** to the close of fact discovery. Dates for expert depositions and discovery, if necessary, shall be addressed in a subsequent order.

4. The parties shall complete the ADR process they selected by 1/22/24.

Participation in the ADR process does not stay discovery.

5. The Court will conduct a post-discovery status/settlement conference on Monday, 5/6/24 at 8:30 a.m. by telephone. Trial counsel shall attend and the parties shall be available by phone.

IT IS FURTHER ORDERED that counsel shall confer with their clients prior to all case management, status or pretrial conferences to obtain authority to participate in settlement negotiations to be conducted by the Court. Counsel are encouraged to instruct the principals to be available by telephone to facilitate the amicable resolution of all litigation.
